

Al I. Mint.
Aug 25th/86.

Dear Mr. Fox:

We the ladies of the Adjusting Room, have for a long time wanted to shew our appreciation of your kindness, and fatherly care for us.

We also feel that you should have something better to drink from than the common porcelain pitcher we see in your room.

Therefore we ask you to accept this, as a loan from us while you remain Superintendant of the Mint.

And may you be alike refreshed with the cooling draughts, and our desire at all times to please you.

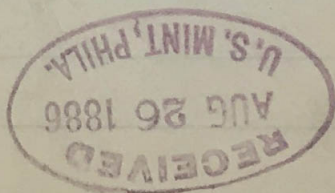

Very respectfully,
The employees of Adjusting Room
